

## ***Family Statement***

3rd Battalion,  
160th Special Operations Aviation Regiment (Airborne)

---

### **From the Family of Chief Warrant Officer Four Michael L. Wright**

Michael believed his choice of service for our country was meaningful and right. He loved what he was doing, he knew the risks, and he was proud to be a soldier fighting so others wouldn't have to. He served his nation for 23 years, and spent seven of those doing what he really loved to do -- flying with fellow Night Stalkers and supporting Special Operations Forces. He made us all very proud.

We would like to thank the media for understanding that we will not be granting interviews during this difficult time. Please respect our privacy and allow us time to grieve for him.

Donations may be made in Michael Wright's name to the Special Operations Warrior Foundation, Post Office Box 14385, Tampa Florida 33690
